20-YEAR LIMITED WARRANTY

Harmony Railing™ warrants its railing products to be free from manufacturing defects in material and workmanship to the original consumer purchaser. In addition to manufacturing defects, this warranty covers cracking, peeling, and blistering of the finish of our products. Subject to maintenance requirements.

Read more about our warranty and maintenance requirements at [HarmonyRailing.com/resources/warranties](https://www.harmonyrailing.com/resources/warranties)

PRODUCT TESTING AND CERTIFICATION

Harmony Railing™ systems have been evaluated for structural integrity by an independent laboratory as per ICC-ES AC273 – acceptance criteria (approved/ revised November 2021).

What is an ICC-ES Evaluation?

ICC Evaluation Service (ICC-ES) is the industry leader in performing technical evaluations of building products, materials and systems for code compliance. Due to its diligence and unparalleled engineering experience, ICC-ES is the most widely accepted evaluation agency in the nation.
